Administration - Categories

A category must be created before any questions can be added by users.

- A question has to be linked to a category and more than one question can be linked to a category.
- The Categories option will be available to the Administrator on the Quick Links option on the right-hand side of the Ask the Expert screen.

Create a Category

Where do I find the Categories option?

To add a category, select the Categories menu item and after the page has loaded, click on the Create Category button.

The screenshot displays the LMS Portal interface. At the top, there is a dark blue header with the text 'LMS Portal' and three icons: a question mark, an envelope, and a user profile. Below the header is a search bar. The main content area features a navigation bar with three tabs: 'e-Learning Programmes' (with a '1' badge), 'Discussion Forum' (with a question mark icon), and 'My Achievements' (with a '18' badge). Below the navigation bar, the breadcrumb trail reads 'Discussion Forum » Categories'. A blue button labeled '+ Create a Category' is highlighted with a red box. Below this button is a table with two columns: 'Actions' and 'Category Heading'. The table contains two rows: 'Pathways' and 'Performance Management', each with an 'Actions' dropdown menu. On the right side of the interface, a 'Quick Links' menu is visible, listing 'Ask The Expert', 'My Questions', 'Moderation', 'Questions', 'Comments', 'Categories' (highlighted with a red box), and 'Experts'. At the bottom of the page, the footer contains the text 'Schema: [1] Signify Academy | Subgroup: All Employees' on the left and 'V8.8.0.3 Copyright © 2019 Signify. All Rights Reserved.' on the right.

- Select the **Categories** menu item from the **Quick Links**.
- Click the **Create a Category** button.

The Create a Category page opens.

The screenshot shows the 'Create a Category' page in the LMS Portal. The header is dark blue with 'LMS Portal' on the left and navigation icons (help, mail, user) on the right. Below the header is a search bar. A navigation bar contains three items: 'e-Learning Programmes' with a count of 1, 'Discussion Forum' with a question mark icon, and 'My Achievements' with a count of 18. A breadcrumb trail reads 'Discussion Forum » Discussion Forum Question » Create'. The main heading is 'Create a Category'. Below it, the label 'Category Heading *' is next to a text input field containing 'Pathways'. At the bottom are 'Save' and 'Back' buttons. The footer shows 'Schema: [1] Signify Academy | Subgroup: All Employees' and 'V8.8.0.3 Copyright © 2019 Signify. All Rights Reserved.'.

- Click the **Save** button. The new category will be listed on the categories page and can be edited or removed.

The screenshot shows the 'Categories' page in the LMS Portal. The header and navigation bar are identical to the previous page. The breadcrumb trail is 'Discussion Forum » Categories'. A button labeled '+ Create a Category' is visible. Below it is a table with two columns: 'Actions' and 'Category Heading'. The first row shows 'Pathways' in the 'Category Heading' column. The 'Actions' column contains a dropdown menu with 'Edit' and 'Remove' options. The footer is the same as the previous page.

Administration - Experts

What is an Expert?

A Expert is an individual assigned to mentor and give expert advice on questions asked by learners or employees.

The administrator can assign an Expert to a category(s) to moderate. Experts can view, edit, remove and moderate questions and comments in the category(s) they have been assigned to.

1. Assign a User to an Expert Role

Find the user

- Click on **System administration | Users | Manage users**.
- Click **Action | View / Edit** next to the user you want to grant access.

Home

Try It Out: Assign Ask The Expert, Expert Rights to a user and add the user as an Expert on a Category.

Administration - My Questions

Questions and discussions are at the heart of the Discussion Forum / Ask The Experts module.

Questions are linked to a Category so that an Expert can provide an answer to the question.

The My Questions section, displays questions created by the logged in user, in this case the Ask The Expert Administrator.

[Zoom:](#)

Ask a Question

- Click the Ask a Question button to add a new question.

The Add New Question screen will open.
