What to do?

Adding a new agreement template

- Click on Add (1) to add a new Agreement Template.

image not found or type unknown

- Enter the Name (2) of the template you want to create.
- From the drop down select the template Review Frequency (3).
- Click on Continue (4).

image not found or type unknown

image not found or type unknown

IMPORTANT: Careful consideration must be made before selecting or unselecting the tick box in the step below:

- *Include this Review Period's rating in the score calculation (6).*

Once this setting is saved you **WILL NOT BE ABLE TO CHANGE** this setting. You will have to delete the Agreement and start from scratch.

- Select a Description (5) for your review period.
- Tick or Untick the tick box Include this Review Period's rating in the score calculation (6).
- Click on Continue (7).

Adding perspectives, themes and objectives

- Ensure that all the main categories Weights(%) (8) add up to 100%.
- Click on Change (9) to edit the Weights.
- Enter the Weight(%) (10) and ensure they add up to 100%. You will not be able to save if the Weights do not add up to 100%.
- Click on Save (11).
- Click on the Add new Perspective (12) / (13) to add perspectives to KPA's or Stretch Targets.
- Click on Add New Development Objectives (14) to add objectives to Key Competency.

For this example we will only be adding perspectives to KPA's. Kindly click on Add new Perspective (12).
