How to Switch Between Schemas

In this quick guide we will explain the following steps:

1. How to switch schemas from System Administration.
2. How to switch schemas from Manage Employees.

1. From System Administration

1.1. How do I get there?

From your home page, in the left bottom corner, click on System Administration.

1.2. What do I do?

- Hover over the Home icon (1)
- Click on the Switch Schema option (2)

- Select the schema you want to switch to from the drop-down (3)
- Click on the Switch Schema button to switch to the new schema (4)

Schema Access - Signify

Switch Schema

Current Schema [1] Company

Switch to [2] Grey Switch Schema

3 4

- Navigate and click on Ok (5)
- You will be navigated back to the Administration portal

Note the conditions displayed in the pop up screen
