On the left is a navigation menu with options: Home, Profile Search, Job Profile, Company Values, Refresh Menu, and Administration. The 'Job Profile' section is expanded, showing sub-options like Profile Detail, Notes, Documents, Positions(104), Output Profile, and Requirements Profile. The 'Unlock Profile' button is highlighted with a red circle and a yellow circle containing the number 5. The main content area shows the 'Profile Detail' for a job profile. At the top, there is a red box with the text '[Locked - Christiaan Venter]' and a yellow circle with the number 6. Below this, the job title is 'Business Analyst', the job code is '23', and the version is 'Version 1'.
