What to do?

- Use the search criteria (1) to search for a user.
- Click on Action (2) on the relevant user.
- Then click on View / Edit (3).

The screenshot shows the 'List of Users' interface. At the top left is a 'Switch Schema' button. Below it is a search section with a red box around it, containing fields for Schema, Category, Employee Number (filled with 'Captain Kurk'), Employee Name, and Username. Below these fields are buttons for Search, Clear, Add New User, Delete, and Send Welcome Notification to New Users. A red circle with the number '1' is next to the search section. Below the search section is a table with columns: Actions, Username, Name, Schema, Disabled, Locked, Category, and Delete. The first row of the table has 'Captain Kurk' in the Username and Name columns, and '[1] Company (1)' in the Schema column. A red circle with the number '2' is next to the 'Action' button in the first row. A dropdown menu is open for the 'Action' button, showing options: View / Edit (circled with a red circle and the number '3'), Assign Subgroup Access, and Assign Reporting Rights. A 'Close' button is at the bottom right of the dropdown.

- Select the tick box Disable User (4).
- Then Scroll to the bottom of the page and click on Submit (5).
