Configure Comment Categories

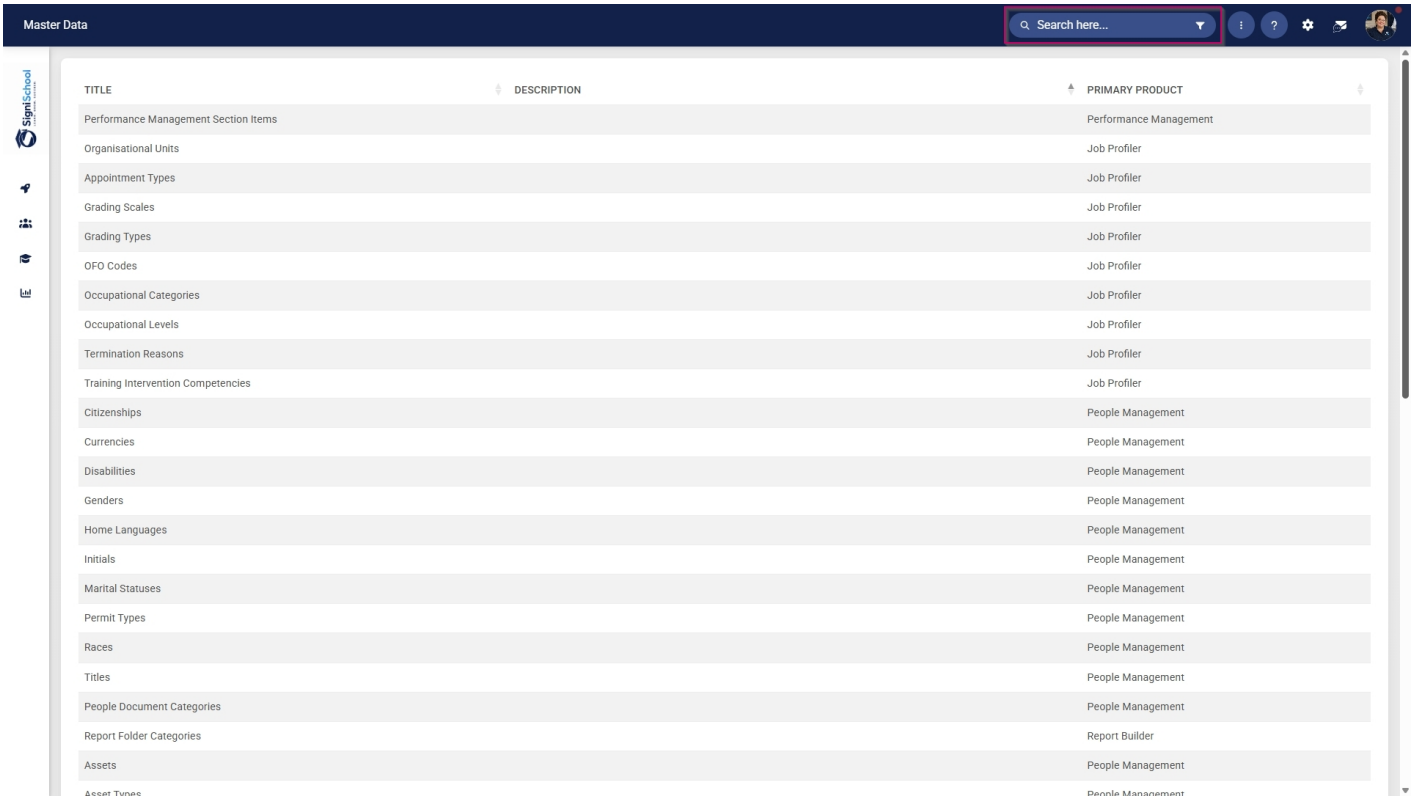

- Click the **gear icon** to access the **Setup and Configuration** menu.

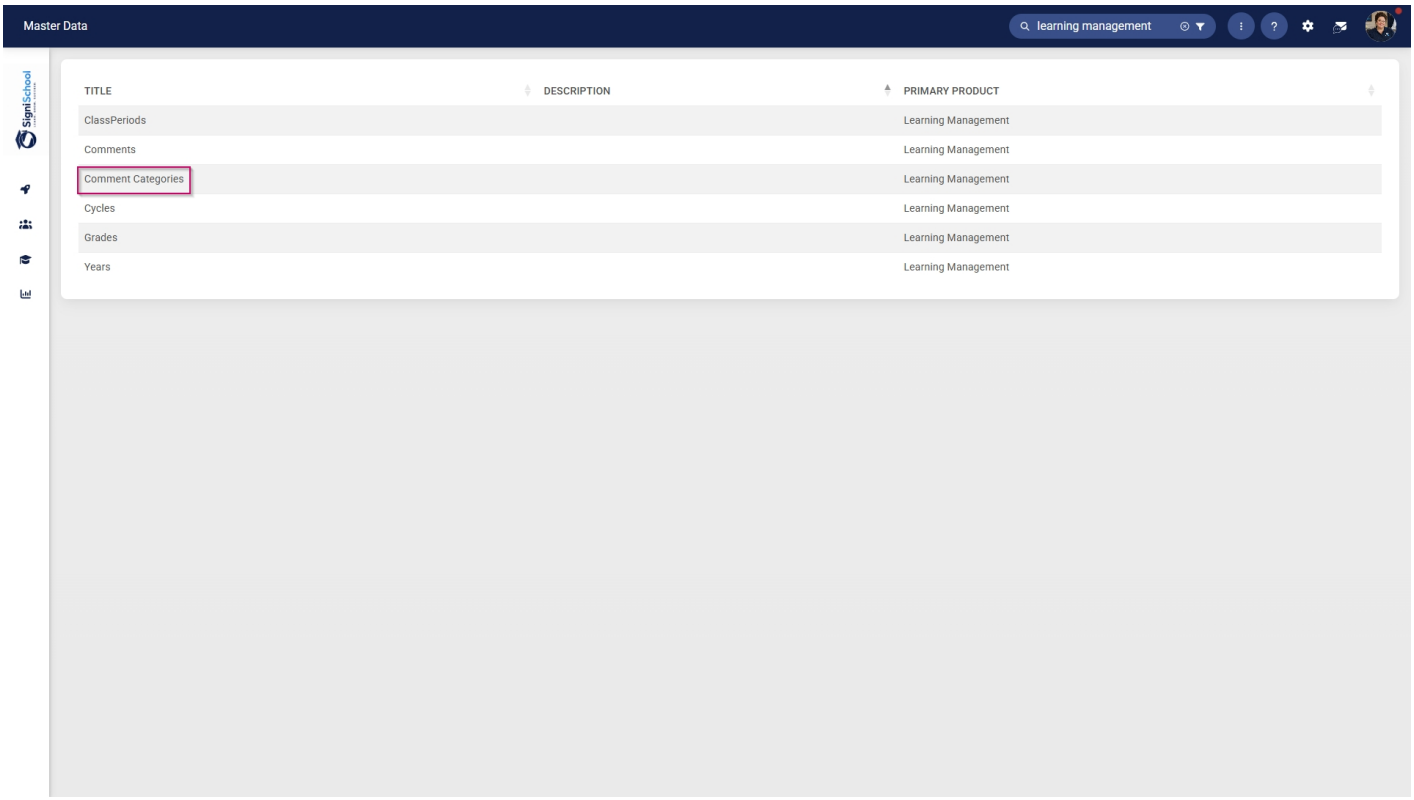

- Click **Master Data**.

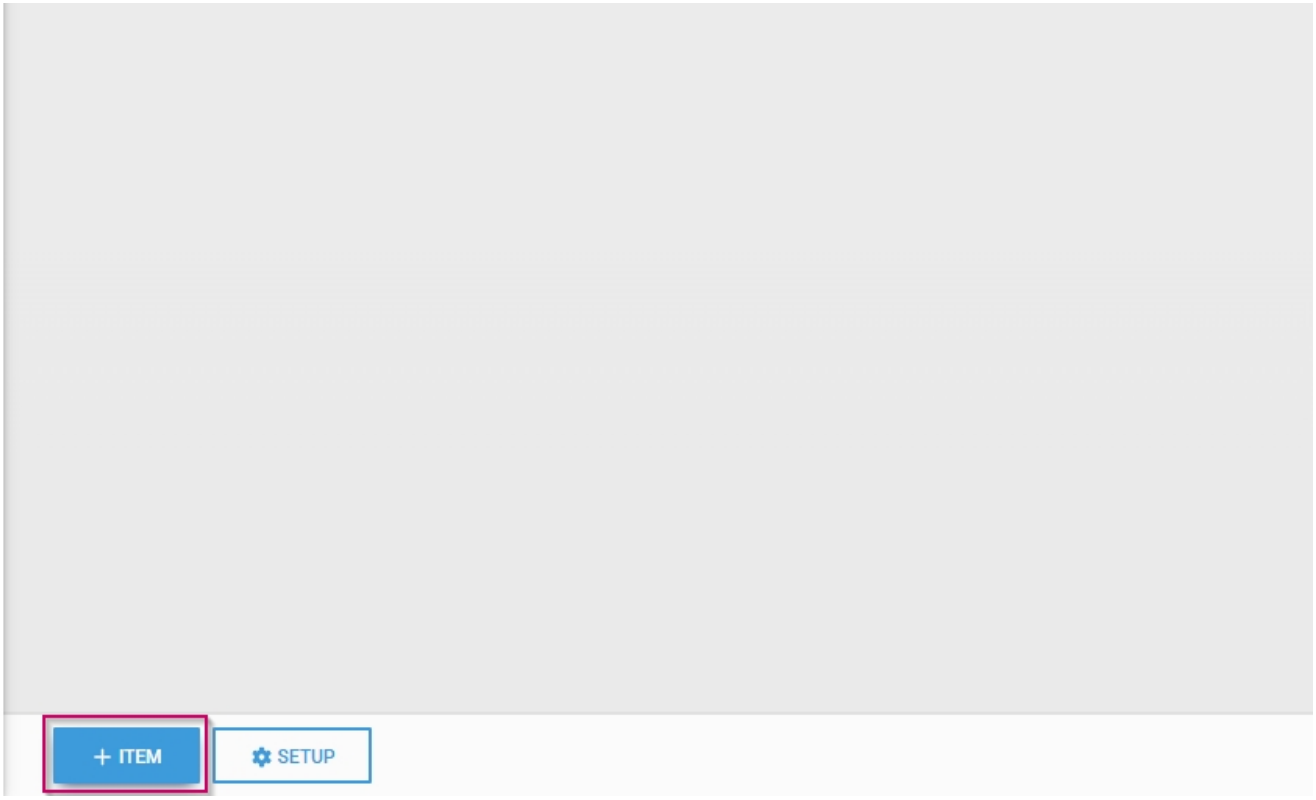

- The **Master Data Library** lists the categories for which administrators can create master data. Use the **search bar** at the top of the screen to filter the search results by **Learning Management**.

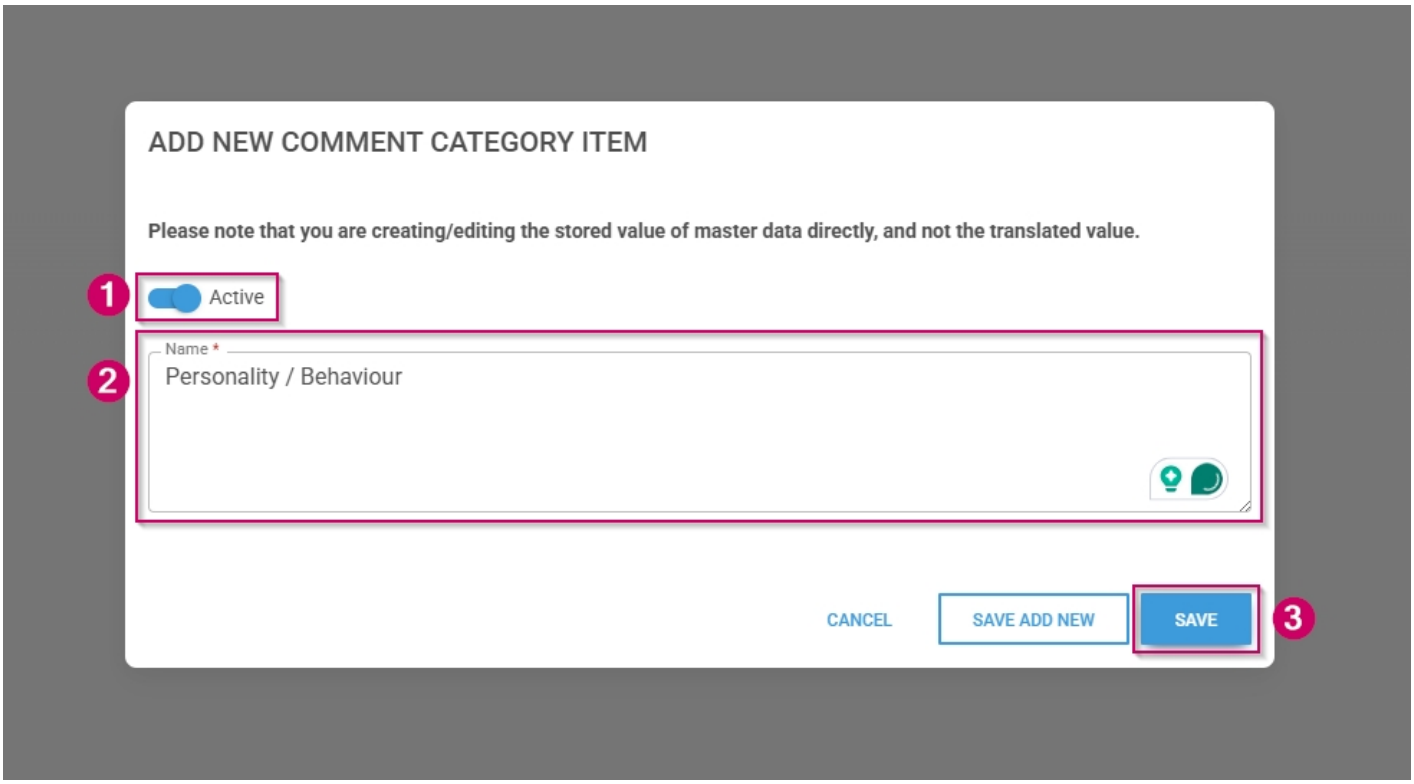

- Click on the **Comment Categories** category to continue.

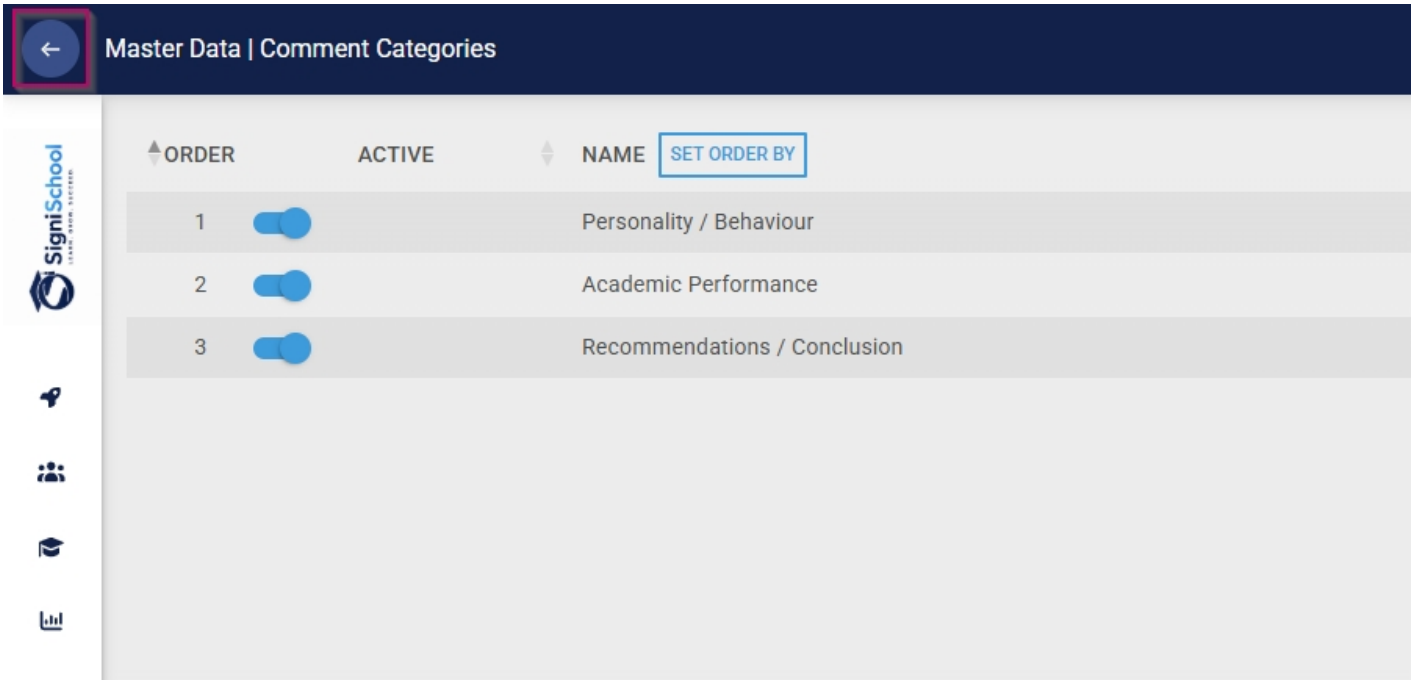

- To add a new master data item, click on **+ITEM**.

- Click the **toggle button** to set the comment category's status to **Active**.
- Enter a name for the comment category.
- Click **SAVE** when you are finished, **SAVE ADD NEW** to add another master data item or click **CANCEL** to discard your edits.

- Click the **back arrow** to navigate back to the **Master Data Library** once you are finished.
