Add Pathway

SigniSchool

- The **pathway details** screen will open.
- Choose how the pathway steps should be displayed:
  - **Indicators** are used for linear learning.
  - **Tabs** are ideal for a virtual classroom or online school environment.
  - For our example, we will be using tabs.
- Add the pathway **name** to the **item label** text field.
- Optionally, add a short description for the pathway.
- Add a **description title**.
- Optionally, add a longer description for the pathway.
