Version 9.1.270 (9 November 2026)

Communication Portal

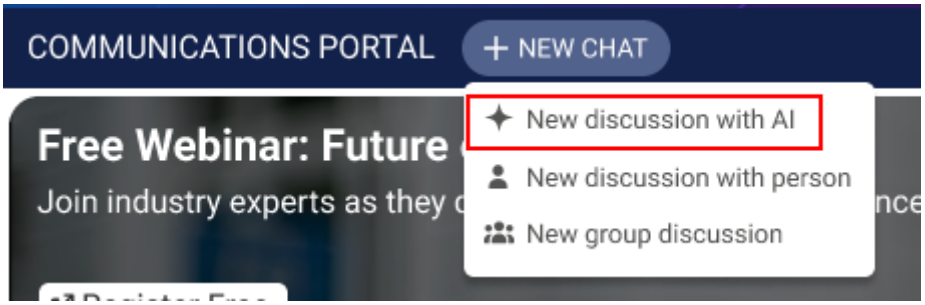

Discovery Version 10: AI: Chat Bot: User Story 1: As a System User, I would like to access the AI chat bot after logging in to the system to interact with it. (#156978)

New Functionality

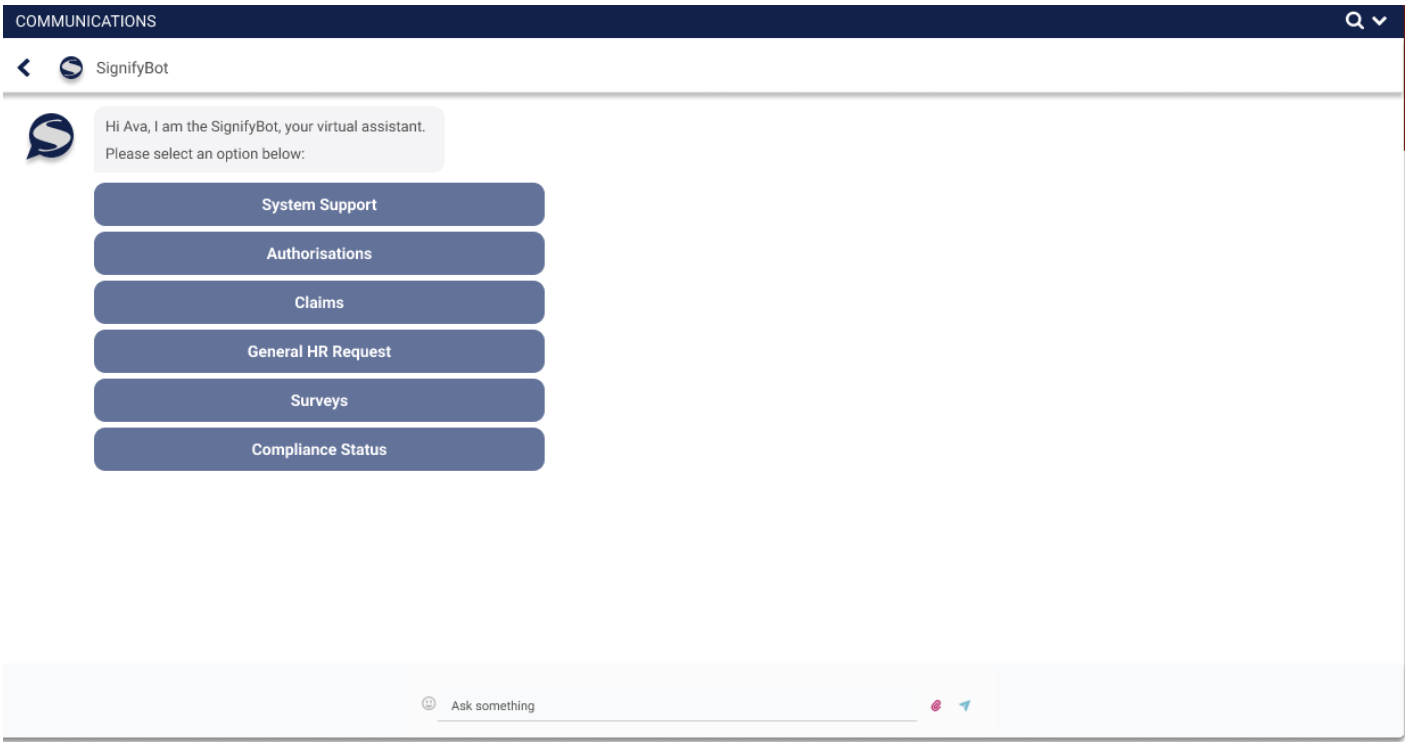

- AI: Chat Bot: User Story 1: As a System User, I would like to access the AI chatbot after logging in to the system to interact with it.
- Update the styling and location of the create new chat button in the communication portal.

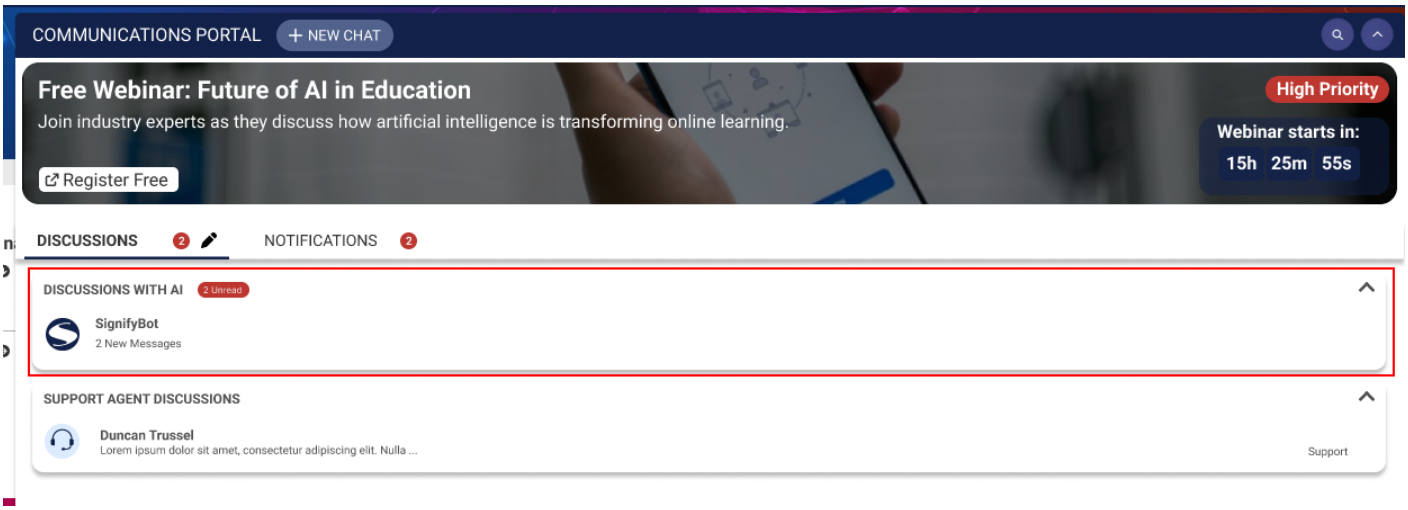

- When the button is selected, add a new option "New discussion with AI"

- When the button is selected, open a new chat with the AI chatbot

- Each time the "New discussion with AI" button is selected, a new chat is created in the "Discussions with AI" section.
