Performance Management

People in My Team not showing (#105910)

Corrected the subordinate filtering when People Groups have already been cached.

The screenshot displays the Performance Management interface. At the top, there is a search bar and navigation tabs for 'MY PERFORMANCE CONTRACT', 'MY TEAM IN GENERAL EMPLOYEES', and 'MY TEAM IN EXECUTIVES'. The main content area is titled 'Timeline' and shows a calendar view for the year 2023, with the current month 'April' selected. Below the timeline, there are sections for 'Review Period 1' and 'Final Review', each with progress bars for 'Objective S...', 'Check-in', and 'Rating'. The 'Review Period 1' section is expanded to show a list of tasks. A summary bar indicates '4 people to do Objective Setting by 13 Jan 2023 (9 Months Overdue)'. The list includes two entries: Peggy Amos (22339), HR Executive, with the task 'Person: Complete the Objective Setting' and a status of 'You: Waiting for the Person to submit Objective Setting. You are also expected to review the Objective Setting.'; and Henry Bachabi (22286), Financial Executive, with the task 'Person: In Progress with Objective Setting' and a status of 'You: Waiting for the Person to submit Objective Setting. You are also expected to review the Objective Setting.'
