

Version 9.1.62 (15 January 2024)

Theme Management

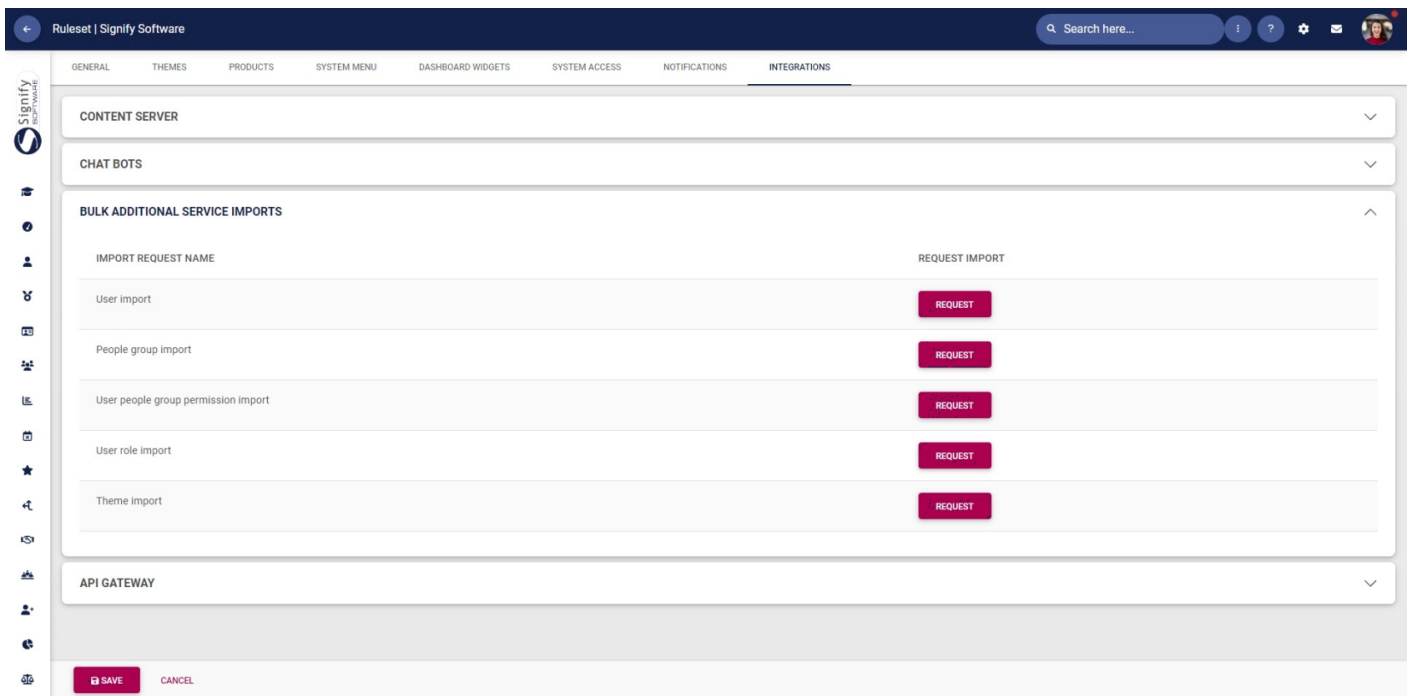

Implement api endpoint to list themes for a client id (#110472)

Add a bulk import of themes that triggers when a user creates or edits a theme in V9.

V9 Imports

Implemented Scheduled Processing of import on external services (#109736)

Implemented a new bulk additional services import section

System Access

Corrected display of dark text headings on the login page (#111177)

When the **Dark Heading Text** setting has been activated on Theme Management, the Login Page Heading and Login Page Description is changed from white text to dark text.
