

Version 9.1.73 (11 March 2024)

People Management

Change name of Training Records tab (#112350)

Name has been changed from Learner Records to Learning Records.

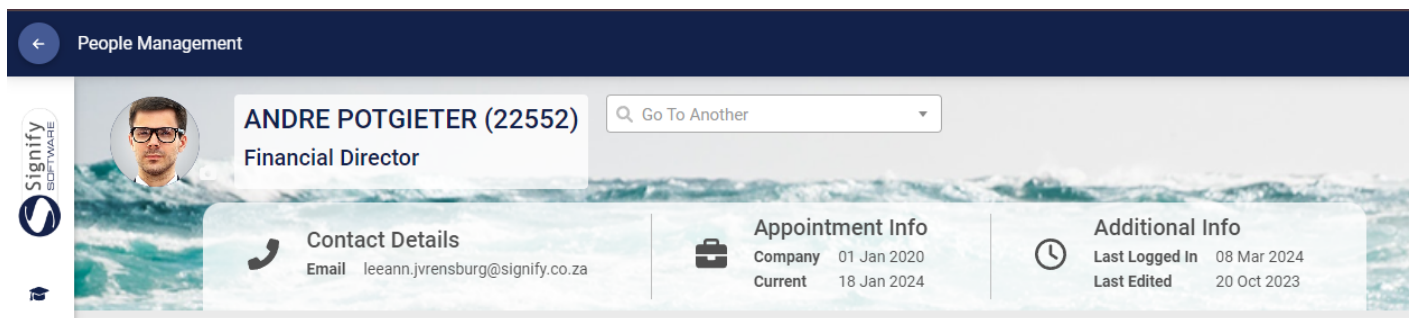

The screenshot shows the 'People Management' interface for user 'ANDRE POTGIETER (22552) Financial Director'. The left sidebar is expanded to 'TRAINING AND DEVELOPMENT', with the 'Learning Records' sub-tab highlighted. The main content area displays a 'LEARNING RECORD LIST FOR ANDRE POTGIETER (22552)'. Below the title is a search criteria field and buttons for '+ Item', 'Print', 'Import', and 'Reset Assessment Attempts'. A table lists the training records:

Type	Title	Start Date	End Date	Completed	Competent	Score	Provider	Credits
Training	Training-Scheduling (Expired)	2024/01/02	2024/01/02	True	False	0		0

Changes to the Profile Banner (#110509, #110908, #110509)

Removed the Work Telephone Number from the Contact Details section; removed the Group date from the Appointment Info section and removed the Created date from the Additional Info section.

The screenshot shows the profile banner for 'ANDRE POTGIETER (22552) Financial Director'. The banner is divided into three sections:

- Contact Details:** Email: leeann.jvrensburg@signify.co.za
- Appointment Info:** Company: 01 Jan 2020, Current: 18 Jan 2024
- Additional Info:** Last Logged In: 08 Mar 2024, Last Edited: 20 Oct 2023

A correct selector to load the training and development first menu (#112886)

When clicking on the Training and Development menu, the Learning Records are loaded as the first menu item.

Implement a slider on the Overall Summary for more than 5 items (#104459)

Business Rules:

- There should be 5 items (incl Overall Final Score) on the screen at all times
- When the Review Periods + Review Surveys are more than 4, then a scroll is added
- There is also a "legend" to show which items are on the screen
- Always land on the current active period as the first item in the scroll, when opening the page
- This is for both Employee and Manager views
