

# Version 9.1.81 (12 April 2024)

## Performance Management: Import

### Add employee filter on section items (#106742)

- Add filter on items to ensure items are populated for the people it is linked to.
- 

## LMS Portal: Discussion Forum

### Expert assignment cannot be deleted (#114005)

#### **Problem**

- The system does not allow an Admin to Delete Expert's Assignments.

#### **Solution**

- Resolved issue to allow the admin to delete an entry
  - Introduced COLLATE DATABASE\_DEFAULT statement on temp table's column to fix SQL exception caused by Collation differences from Server and Database.
-
