Performance Management: Import

Add employee filter on section items (#106742)

- Add filter on items to ensure items are populated for the people it is linked to.
-

LMS Portal: Discussion Forum

Expert assignment cannot be deleted (#114005)

Problem

- The system does not allow an Admin to Delete Expert's Assignments.

Solution

- Resolved issue to allow the admin to delete an entry
 - Introduced COLLATE DATABASE_DEFAULT statement on temp table's column to fix SQL exception caused by Collation differences from Server and Database.
